Hi Jane,

Please can I thank you, the staff at Circle and obviously Mr O'Leary for all your help in diagnosing and then the surgery yesterday for Josh.

Having experienced the NHS over many years and various injuries myself, I have been really impressed with the experiences with Circle. I know we would not have been able to progress Joshua's treatment without the financial assistance of his Grands parents, but I have to say it is worth every penny.

Josh now embarks on the rehab, which he will do through the Physio team at Circle, then will see Mr O'Leary in November.

Thanks again,

Rod
