To: Thankyou

Subject: Regarding my operation

My name is Hayley constable and I came into to have an operation on my right knee I was very nervous and scared for this surgery I was on ADSU ward and was the first one called in to have my operation on Thursday 26th January 2017 my allocated nurse was khaden and she was absolutely wonderful from the minute I arrived to the time I was discharged and my physio allocated was Clare and my 2 consultants that done my surgery mr o Leary and his co worker or manager where fantastic I really couldn't fault any of these members of staff and surgeons I am very happy with the care that was given to me and I appreciate everything that you named persons in this email have done for me you took care of me and looked after me very much made me feel at real ease I would just like to say a massive thank you in making me feel very happy with the care I recieved I would also like to thank the anesthetiser that I had they were fanstastic aswell thank you all so much and I would look forward to being in care again if ever needed I will be back in 6 weeks to have a chance to meet with my consultants again and I'll be visiting the wards I was on and thanking staff personally thank you all again so so much
