Mr O'Leary performed a totally successful knee replacement for me in February.

I have great mobility and I am pain free and I am most grateful to him for vastly improving my quality of life.

Unfortunately, my other knee - the left one - is suffering from signs of wear and tear as I have played very active sports all my life and intend to continue to do so.

I would like to thank Mr O'Leary and the whole team at The Circle for their excellent professionalism.

Kindest Regards
Margaret Allen.
